NOTE.—No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published. A List of the Appointments, &c., which have taken place between the 13th and the 21st ultimo inclusive will be found at pages 696-*c*.

Officers on the Retired List who have commuted their Retired Pay, and Officers of the Royal Marines retired on Gratuities, must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

The List of Retired Officers of the Royal Naval Reserve now appears at page 500*a*.

Officers of late Royal Naval Artillery Volunteers must send in annually to the Secretary of the Admiralty, between 1st January and 31st March, a notification of their being alive, otherwise their names will be removed from the List.

The List of these Officers now appears at page 500*f*.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The EDITOR *of the Navy List will be glad to receive any communications in reference to omissions or errors in the List, addressed to him at the* ADMIRALTY, WHITEHALL, LONDON, *and such communications should be marked "On Her Majesty's Service."*

The NAVY LIST *is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.*

By command of their Lordships,

EVAN MACGREGOR.

NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c., required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to such retired Officers as may be in the opinion of the Admiralty most deserving, provided they have the necessary service, &c., required to render them eligible as shown at page 813 of the Queen's Regulations and Admiralty Instructions of 1893.

LIST OF THE STEAM SHIPS AND VESSELS OF THE ROYAL NAVY, ALSO OF SAILING SHIPS IN COMMISSION, WITH THEIR PRESENT STATIONS.

N.B.—Coastguard Cruisers, Small Steam Vessels, &c. employed in Harbour Service, are shown in separate Lists.

(The Ships are arranged alphabetically. The numbering has no reference to the numbers of Ships on the List of the Royal Navy, being only used to indicate where Officers are serving.)

S. denotes Screw.—P. Paddle Wheel.

****—The Tonnage given are the weights in Tons. The figures showing the Horse Powers of Ships have been revised; they now show the Natural Draught Powers as defined by recent Admiralty orders and also the powers that may be expected to be obtained with Forced Draught in ships so fitted.*

The principal reductions shewn occur in the cases of ships with low pressure boilers on which the use of the Steam Blast has been discontinued.

NOTE.—*The letters N.D. against I.H.P. denote Natural Draught Power. The Forced Draught Power is shewn in brackets with the letters F.D. following.*

All Officers whose names are in italics are borne as supernumeraries or additional.
(G) or (G) against an officer's name denotes he is borne for Gunnery duties.*
(T) that he is a Torpedo Lieutenant, or Torpedo Gunner, borne for Torpedo duties.
(N) that he is an executive officer borne for Navigating duties.
(S) that he is a Boatswain borne for Signal duties.

The above list is issued for the information of Captains of Her Majesty's Ships with reference to the provisions of Article 90 of the Queen's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of Her Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(*a.*) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b.*) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of Her Majesty's Ships, or by some unavoidable casualty.

(*c.*) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(*d.*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant, Blue Ensign should be seized and the case reported to the Admiralty.

By command of their Lordships.

The following Regulations have been established by Order in Council of 7 August 1894—		
A. Appendix XVII., page 976, of the Regulations for the Government of the Naval Service, to be amended by the substitution of the following rules for the scale based on Indicated Horse Power :—		
In Ships in Commision, Engineer Officers in charge of the Machinery will be allowed Charge Pay varying from 1s. to 9s. a day, the rate for each Ship being determined by the Admiralty.		
In Ships in the Fleet and Dockyard Reserves, half the rates of Charge Pay and of Senior Engineer's Allowance payable while in commission are to be paid to their Engineer Officers (but in vessels in which the full rate of Charge Pay is under 2s. a day, the rate of Half Charge Pay payable to be 1s. a day), subject to the conditions laid down in Article 1436.		
In Torpedo Boats in Commission, Engineer Officers in charge of the Machinery will be allowed Charge Pay at rates determined by the Admiralty.		
In Torpedo Boats in Reserve, an Engineer or Assistant Engineer in charge will receive Charge Pay at 1s. a day.		
B. The new system to take effect from 1st April 1893, except in cases where provision to the contrary is expressly made herein.		
C. Any reduced rates awarded at the initiation of the new system only to come into force in the cases of Officers appointed after the date of this Order in Council.		
D. Any increased rates awarded at the initiation of the new system only to be payable from the date of this Order in Council.		
E. In order to maintain a just proportion between the rates allowed for older and for modern ships, it shall be open to their Lordships to revise rates of Charge Pay upon occasions of commissioning or recommissioning.		
In a case where a vessel has not been in commission for 3 years, the rate of Half Charge Pay to be liable to revision on the occasion of her Engineer Officer being appointed or superseded.		
F. In cases where the recent revision of the official record of horse powers (*e.g.* in Navy List) brings the Indicated Horse Power of vessels below 3,000, the Senior Engineer's Allowance of 1s. a day hitherto paid to be continued until the supersession of the Officer or Engine Room Artificer receiving it at the date of this Order in Council.

"22. A Quartermaster is to be retired on attaining the age of 55, or if physically unfit for future service. Officers, now holding the appointment, who reckon 10 years' service as Quartermaster, are to be allowed, at the discretion of the Admiralty, to serve till 58 years of age.

"23. A Quartermaster appointed before the 1st July 1881, who attains the age of 55 years before he completes 10 years' service in the rank, may be continued on the Full Pay List until he has completed such 10 years' service.

"24. A Quartermaster may, at the discretion of the Admiralty, be retired on completion of 10, 15, and 20 years' service as such. Retirement is to be optional after 20 years' service (counting service in the ranks or as Warrant Officer as Half Service), of which 10 years as Quartermaster.

"25. Retired Pay at the rate of 200*l.* a year, is to be awarded on retirement, subject to the following deduction, viz., where an Officer is retired before the completion of 30 years' total service 10*l.* to be deducted for each complete year of service less than 20 years, counting service in the ranks or as Warrant Officer as Half Full-pay service; but the Retired Pay not to be less than 150*l.*, unless retired as physically unfit.

"After a year on Half-pay, he is, if found to be physically unfit, to be granted Retired Pay at the rate of 200*l.* a year at the age of 55, with a deduction of 10*l.* a year for each complete year wanting to complete such age; but the Retired Pay not to be less than the Half-pay to which the Officer is entitled.

"SUB-INSPECTOR OF SCHOOLS.

"25. The Sub-Inspector of Schools is to receive Pay, Half-pay, and Retired Pay at the rates provided for Quartermasters of Marine Artillery, and to be subject to the same rules as regards Retirement."

MEMORANDUM.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

2. Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they or any of the Officers under their command, are discharged to Half-pay, one of the returns herein-after specified, and headed respectively "(A) Foreign Service," "(B) Home Service."

3. The Form already required to be furnished, and specified at page 175 (Appendix) of the Addenda (1868) to the Admiralty Instructions, will suffice for Officers returning to Half-pay from Foreign Service, amended as per specimen annexed and marked A.

4. In making out this List, the following Directions are to be carefully observed:—

I. The List to be made out in triplicate, for their Lordships the Commander-in-Chief of whose Flag-Ship Officers are to be borne, and the Accountant-General when Officers are entitled to Full-pay Leave; otherwise it is to be made out in duplicate, for their Lordships and the Accountant-General.

II. Foreign Service in a Ship commences on the date of leaving England, and ends upon her arrival home, the time employed fitting out at home and dismantling after arrival not being reckoned as Foreign Service. If a Ship returns to England and proceeds again to a Foreign Station, the time in England is not to be reckoned as Foreign Service.

III. The Actual Foreign Service only is to be specified in red ink against each Officer. If the Foreign Service of any Officer falls short of *one* year it may be entered in black ink, inserting "nil" in the column for "No. of Weeks' Leave." If an Officer has been checked on leave to England during his service, the period should also be stated.

IV. An Officer taking passage out in a Mail Packet or Private Ship will reckon Foreign Service from date of embarkation for passage out.

V. An Officer returning to England, if entitled to Full-pay Leave after arrival, is to be borne on the book of the Flag-ship at whichever port is most convenient to him. The name of such Flag-ship should be inserted in the left-hand corner on the other side of this Form before the Officer embarks for passage to England.

VI. The Full-pay only of the respective ranks will be allowed while on leave, *excluding* Command Money to Lieutenants and Staff-Commanders in Command, Senior and Gunnery Allowances, and all other additions to Full-pay.

VII. No Advance or Payment on Account is to be made by the Paymasters to an Officer while on Full-pay Leave under the Circular; the Pay Tickets are to be forwarded from the Flag-Ship to the Accountant-General, by whom only the time on leave can be investigated, and the amount due paid, when the Officer's leave expires.

VIII. By her Majesty's Orders in Council, it is directed that the leave is only allowed at their Lordships' discretion, on return from Foreign Service, as follows:—

For every complete six months' service abroad, provided the absence has not been less than one year . . . . . One week.
For every month served beyond the last period of six months . . One day.
This scale to extend to a period of five years' absence from England.

2. Cases in which the absence from England is less than one year, or more than five years, will be specially dealt with by their Lordships when circumstances, in their opinion, warrant the extension of some special indulgence to an Officer returning to England after such absence.
3. Officers serving abroad, who have official residences alloted to them, or are in receipt of allowance for house rent, and whose appointments are subsequent to the date of the Order in Council of the 18th May 1881, are not to be allowed Full-pay Leave after Foreign Service, whether borne on ship's book or not.

When Commanders, Lieutenants, or Sub-Lieutenants, who are Seniors to the Executive Officer, are appointed for Navigating duties, they will, in the absence of the Captain, succeed to the command of the Ship; but they are not to take upon themselves the routine duties of the Executive Officer except by order of the Captain, or in case of necessity.

Staff-Captains, Staff-Commanders, and Navigating Lieutenants, whatever their rank and seniority may be, are in all matters of command, and in all details relating to the duties of the Fleet, and to the discipline and interior economy of Her Majesty's Ships, to be held subject to the authority of any Officer, not below the rank of Lieutenant, who may be in charge of the executive duties of the Ship, or in charge of any other special service or duty, of whatever seniority such Officer may be.

Officers in Command of Her Majesty's Ships must, on occasions, whether on shore or afloat, take rank and precedence of Officers placed under their Command.

A Ship must always be represented by an Officer of the Military Branch in the following order of command:—

At Courts of Inquiry, Surveys, and other similar assemblages of Officers, the Officer who in virtue of his office would, under these Regulations, take the military command, is in all cases to preside, irrespective of the relative rank of the other members.

Officers who qualify for navigating duties will be required to perform those duties, if called on to do so, until promoted to the rank of Captain.

They will be required to take a share in the ordinary duties of their Ships, such as watch-keeping, acting as Divisional Officers, as in the case of Gunnery Lieutenants. But this participation in the ordinary duties is not to interfere with their special navigating duties, and is to be arranged at the discretion of the Captain.

All Officers of the same denomination in the Military Branch shall rank and command according to the order in which their names stand in the Official List of Officers of the Royal Navy; or, when not inserted in the List, according to the dates of their first Commissions, Warrants, or Orders, in their existing rank; and, if acting only, according to the seniority of their respective acting appointments; but Commanders and Lieutenants serving in a Ship bearing the Flag of a Senior Flag Officer present, or the Broad Pendant of a Commodore of the First Class, being the Senior Officer present, or in the Ship of the Senior Officer of five or more Ships present, shall, when in the presence of, or acting under the immediate order from, such Senior Flag Officer or Commodore, or Senior Officer of five or more ships present, and detached on service in company with other Commanders, and Lieutenants of the Fleet or Squadron present, take rank and command respectively of all other Commanders and Lieutenants. Under all other circumstances, Commanders and Lieutenants of Flag Ships, as well as those of other Ships, will take rank only according to their proper seniority.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE QUEEN'S REGULATIONS.—1887.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, *as modified by Order in Council of 17th February* 1886, *see* p. 494.)

Nothing contained in these regulations is to give a claim to any Officer of the Navy to assume command of Her Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of Her Majesty's squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government in England for any particular Service. But when Officers of the Navy are employed on shore, on joint service with Her Majesty's Land Forces, their relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except command as aforesaid), and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

Under the regulations formerly in force, the precedence of the Officer in command of Her Majesty's Forces in any Colony, was dependent on the question whether or not he was entitled to administer the Government of the Colony in the absence of the Governor. But the alteration of circumstances has rendered this arrangement in some cases inconvenient or anomalous, therefore it is Her Majesty's pleasure that the following rules be now observed in the Colonies in regard to the precedency of Military and Naval Officers in command of Her Majesty's Forces—

a. The Senior Officer in command of the troops, if of the rank of a General, and the Officer in command of Her Majesty's Naval Forces on the Station, if of the rank of an Admiral, are to have precedence next after the Governor, their own relative rank being determined by the Queen's Regulations on that subject.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of Her Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the Queen's Regulations on that subject.

c. If below the rank of Colonel or Lieutenant-Colonel, the Senior Officer in command of the Troops, and the Officer in command of Her Majesty's Naval Forces on the Station, are to continue to take rank, as has heretofore been the case next after the Solicitor-General.

UNIFORM REGULATIONS FOR OFFICERS OF THE FLEET.

L

ADMIRALTY,

SIR, 10*th October* 1891.

In issuing the Amended Regulations for Officers Uniform, I am commanded by My Lords Commissioners of the Admiralty to direct that they be strictly observed by all Officers, and that no deviations are to be authorised without special Admiralty sanction being previously obtained.

2. All new Uniform must be of the approved pattern.

3. It is optional for Officers who are retired, or within five years of compulsory retirement, to adopt the new full dress coat. Other Officers are to provide themselves with it within five years from 30th June 1891.

This order also applies to such alterations in the Uniform as involve new coats being provided. Where only slight variation in pattern is involved, *e.g.*, cocked hat, sword knot, buttons, &c., the old articles may be retained until they are worn out.

4. The new Regulations are to be adopted as soon as convenient, and all Uniform (excepting as specified in paragraph 3) must be of the approved pattern by 30th June 1892.

5. Naval Instructors within five years of compulsory retirement are not required to provide themselves with Uniform.

Three years from 30th June 1891 are allowed in the case of other Naval Instructors at present in the Service, by which time they must appear in the Uniform of their rank. New entries will provide themselves with Uniform on leaving the Royal Naval College.

6. Flag Officers, Captains, and Officers of corresponding ranks, are at liberty to wear the undress tail coat instead of the jacket.

7. Illustrations and patterns will be ready shortly, but it is considered that it will be convenient to Officers to know as early as possible the nature of the changes which have been approved.

I am, Sir,

Your obedient Servant,

EVAN MACGREGOR.

IN pursuance of Her Majesty's pleasure, the following are the descriptions of the Uniform to be worn by the Officers of the Royal Navy.

By command of their Lordships,

EVAN MACGREGOR.

N.B.—*No alteration in the Uniform Regulations for Officers has taken place during the past quarter.*—Admiralty, 18*th December* 1896.

EXTRACTS FROM THE QUEEN'S REGULATIONS AND ADMIRALTY INSTRUCTIONS.

FROM CHAP. II.—CEREMONIES AND DISTINCTIONS.

§ XV—UNIFORM.

116. The Officers, Men, and Boys of Her Majesty's Fleet and the Royal Marines shall wear such uniform as the Admiralty shall, in pursuance of Her Majesty's pleasure, from time to time direct.

2. The descriptions of the various articles of uniform are specified in the Uniform Regulations, and will be published from time to time in the Navy List.

The prescribed patterns are to be strictly adhered to.

When to be Worn.

117. Every Officer, from the time of his joining the fleet, squadron, or ship to which he shall be appointed, to that of his being removed from it, shall wear the uniform established for his rank, except when he shall have leave from the Admiralty or the Senior Officer to be absent from his duty, or as hereinafter provided.

Plain Clothes.

2. Permission may be given to the Officers to wear plain clothes on ordinary leave; but at Reviews, Public Balls, or Entertainments given by Naval or Military Authorities, by Civil Functionaries, or by Military Messes at ports at which their ships may be lying, Officers are to wear the uniform of their rank, as prescribed for the various occasions specified under "Dresses, and occasions on which they are to be worn," and no deviations are to be authorised without special authority previously obtained from the Admiralty.

Subordinate Officers.

3. Subordinate Officers when on ordinary leave are to wear the uniform of their ranks; but permission may be granted to them to wear plain clothes when going into the country, or to ride, shoot, play cricket, or for exercise.

Foreign Ports.

4. In Foreign Ports great discretion should be exercised in allowing Officers to appear out of uniform, as in such cases they can have no right to expect to be recognised as British Officers.

Royal Marines.

5. Officers of the Royal Marines are to wear their full dress on the occasions when ball dress and frock coat with epaulettes dress are worn.

Officers on Retired and Reserved Lists.

118. Officers on the retired and reserved lists, whose names appear on the list of the Navy, are permitted to wear the uniform of their respective ranks on State and other occasions of ceremony.

§ XVIII.—WEARING DECORATIONS AND MEDALS.

Wearing Decorations and Medals.

128. Her Majesty approves of the following regulations as to wearing decorations and medals:—

Knights Grand Cross.

1. The insignia of Knights Grand Cross of orders, consisting of the badge suspended from a broad ribbon over the shoulder, and the star, are to be worn with full dress and ball dress; with the former the ribbon should be worn under the epaulette and sword belt; with the latter, under the coat and over the waistcoat. With full dress, on collar days, the collar takes the place of the ribbon.

2. With frock coat and epaulettes the star of the order only is to be worn. With frock coat the star may be worn at discretion.

3. With uniform coats other than full dress and ball dress the ribbon of a Companion of the Order is to be worn (*see* clause 20) except that with mess dress, miniature badges (not stars) may be worn in lieu, and with mess undress miniature ribbons.

Knights Commander.

4. The insignia of Knights Commander of orders, consisting of the badge suspended from a ribbon round the neck, and the star, are to be worn with full dress, ball dress, and frock coat with epaulettes. The ribbon should be worn inside the collar of the coat, the badge being suspended 2 inches below the lower edge of the collar.

5. With the frock coat the star only may be worn at discretion.

6. With uniform coats, other than full dress and ball dress, the rules laid down in clause 3 are to be observed.

Badges of Companions of orders, and medals.

7. The badges of Companions of orders, are to be worn, together with medals, with full dress and ball dress, but under the circumstances stated in clause 15, miniature badges and medals may be worn with the latter dress.

Decoration bar.

9. The several decorations and medals, are to be worn on the left breast in one horizontal line one inch below the point of the shoulder, and suspended from a single bar, of which no part is to be seen.

Order in which decorations and medals are to be worn.

10. The following is the order in which they are to be placed on the bar, commencing with the end furthest from the shoulder.

a. British decorations in order of seniority.

b. British medals in order of date.

c. Foreign decorations in order of date.

d. Foreign medals in order of date.

Jubilee medal.

11. The Queen's jubilee medal takes precedence of all other medals.

Order of St. John of Jerusalem.

12. The badges of the order of St. John of Jerusalem in England are to be worn between British medals and foreign decorations.

Good conduct medal.

13. The good conduct medal comes after all war medals. Chief Gunners, Chief Boatswains, Chief Carpenters, Warrant Officers and Chief Officers of Coast Guard, who have been awarded this medal prior to their promotion, are to wear it as here directed.

Length of bar in full dress.

14. On the full dress coat the bar must not project beyond the centre seam, and when the decorations and medals cannot be suspended from the bar so as to be fully seen, on account of their number, they are to overlap, the highest showing in full.

Length of bar in ball dress.

15. With ball dress the bar is to go over the lapel, if necessary, but not beyond, and if from the number of decorations and medals, it should be too long to be worn conveniently, miniatures may be worn in lieu.

Buckles of Companions of orders.

16. The buckles of the Companions of the orders of the Bath and of St. Michael and St. George, as part of the decoration, are to show half way between the upper and lower edge of the ribbon.

Humane Society's, and other similar medals.

17. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

Description of bar.

18. In all cases the bar for the suspension of decorations and medals is to be provided at the expense of the wearer. It may be of any metal or material, and of any pattern consistent with the above instructions, provided the bar and the buckle are wholly concealed by the ribbons.

Length of ribbons.

19. The ribbons of decorations and medals are to be of the following lengths—

a. When decorations and medals are worn:—

Full size	..	..	..	1 inch
Miniature	..	..	..	⅜ inch

b. When ribbons alone are worn:—

Full size	..	..	..	½ inch
Miniature	..	..	..	⅜ inch

These lengths are not to be exceeded, unless, in the case of medals, the number of clasps should necessitate it.

Ribbons sewn on the coat.

20. When ribbons, either full sized or miniature, are required to be sewn on the uniforms, the same order of arrangement is to be followed, as that laid down in clause 10, for decorations and medals. Knights Grand Cross and Knights Commander will however add the ribbon of a Companion of the order, or orders, to which they belong (*see* clauses 3 and 6). The ribbons are to be sewn plain on the cloth of the uniform, without intervals; and should the space between the shoulder to the edge of the lapel be insufficient to accommodate them in one row, they are not to be made to overlap as on the bar but are to be arranged in two or more rows placed immediately under each other.

Ribbons worn with White Uniform.

21. When worn with White Uniform the ribbons are to be placed on a moveable bar.

Miniature decorations and medals.

22. Miniature decorations and medals are to be arranged on a bar in the same manner and order as full sized decorations and medals. Knights Grand Cross and Knights Commander will wear thereon, senior to all other decorations, the miniature badge of the order, or orders, to which they belong, omitting the buckle in the case of the orders of the Bath and of St. Michael and St. George.

23. If necessary the bar should extend over the lapel of the coat

Decorations, &c., may be worn with plain dress.

24. Decorations and miniature decorations and medals are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family, or of Viceroys and Governors-General, and on public and official occasions.

Retired Officers.

25. Retired officers are authorised to wear decorations and miniature decorations and medals in evening dress on all public and official occasions.

NOTES TO DRESS REGULATIONS FOR SHIPS COMPANIES.

(1.) By *collars*, is to be understood the detached blue jean collar.

(2.) *Neck-handkerchiefs* are always to be worn except by men employed coaling and refitting. They are to be tied behind under the collar, the bight in front being confined by the strings, which having been first tied together are to be tied tightly in a bow over the handkerchief, leaving a bight of 6 inches about three inches long; the handkerchief should thus be *firmly* secured to the frock or jumper.

(3.) *Knife lanyards* with *knives* attached are to be worn by all men wearing seamen's dress.

(4.) *Caps* are always to be worn, except as shown in paragraph 5.

(5.) *Hats* are to be worn (*a*) During the summer season, weather permitting, with blue clothing; on occasions of ceremony, and on Sundays on board ship and in barracks as ordered by the Senior Officer present. (*b*) Always with No. 6 dress. (*c*) At any time as a protection from the sun, if ordered by the Senior Officer present. *Hats* are not to be worn at sea unless specially ordered as a protection against the sun.

(6.) *Cap covers* are always to be worn when any white clothing is worn, and always with white working dress; they may also be worn with blue clothing if considered necessary as a protection against the sun, if ordered by the Senior Officer present.

(7.) *Ribbons* on hats and caps are to be worn with the name straight in front and tied in a bow over the left ear—the ends being three and four inches long respectively—the shorter end being in front.

(8.) *Jerseys* are to be worn with blue clothing, and with white working rig during cold weather, as regulated by the Senior Officer present. [*In England, when once commenced, their use should be continued until about the beginning of April.*]

(9.) *Comforters* are only to be worn during exceptionally cold and raw weather, and during night watches;* during the day time they are only to be worn when specially ordered,—or by individuals, temporarily, on the Medical Officer's recommendation;—they are to be worn as follows—one turn round the throat and a half hitch and the ends tucked in inside the frock.

(10.) *Monkey jackets* are to be worn by men on duty or leave in cold or wet weather, as ordered. During the day time, except when raining, the blue jean collar is to be worn outside. Petty Officers and Leading Seamen and equivalent ratings are to wear their badges of rating embroidered in red on their monkey jackets. No other badges are to be worn on them.

(11.) All *frocks* and *jumpers* are to be cut down ten inches from the collar, the strings being eight inches below it; and on no account is any deviation from this to be permitted.

It is important that the junction of the Sleeves with the body should be sufficiently above the elbow to allow a clear space between it and the elbow, for the Badges to appear mid-way between the shoulder and the elbow. (*See* Article 10.)

(12.) *Boots* or *shoes* are to be worn when men are in blue clothing, except when decks are wet, and in hot climates.

(13.) No *boots* or *shoes* but those of a strictly uniform pattern are allowed to be worn by anyone either on shore or on board.

So as not to necessitate all badges being changed when a special qualification is altered, in all cases except in that of a signalman who has passed for highest grade, the lower stars being liable to alteration are independent of badges and capable of being sewn on or removed as necessary. Stars are supplied separately for this purpose. Spare crowns are also supplied separately, so that in case of a man being rated an "Instructor," the badge already in his possession can easily be altered.

19. In sketches of badges, Gun superior indicates a Gunnery Rating. Torpedo superior indicates a Torpedo Rating. The Gun, or Rifle, when worn, is always to point away from the body.

20. The following is a descriptive list of badges indicative of special qualifications or duties, viz.:—

*Gunnery Instructor—Cross Gun and Torpedo, Star and Crown above.	If also "Captain of Turret" a star is to be worn below in addition.

11. A candidate who qualifies under Class I, but does not succeed in the competition, will be entitled to compete at the next examination, provided he is within the limits of age at that time. A candidate who fails to qualify will not be entitled to another trial, but will be allowed to compete at the next examination if he receives a fresh nomination and is still within the limits of age.

12. A candidate who, owing to illness, fails to appear at the examination for which he has obtained his nomination may receive a second nomination, provided he is still within the limits of age.

13. For all Cadets entered under these regulations the payment will be at the rate of 75*l.* per annum for the period in the "Britannia," to be paid every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting, from among the Cadets entered at each examination, a number, not to exceed six, being sons of Officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the annual payment will be 40*l.* only. In this selection their Lordships will have regard solely to the pecuniary circumstances of the Cadet.

Applications for the Reduced Scale must be received at the Admiralty not later than 1st January, 15th April, and 1st September.

14. In addition to the annual payments mentioned in the foregoing paragraph, the Parent or Guardian will be charged with the personal expenses incurred by the Cadet for washing, repairing boots and clothes, hair-cutting, pocket-money, &c.

15. The period of training on board the "Britannia" will be four terms; there will be three terms in each year. The first term of each year will be approximately from 14th January to 14th April, the second from 5th May to 5th August, and the third from 16th September to 16th December.

The vacations will be four weeks at Christmas, three weeks at Easter, and six weeks at Midsummer.

16. (*a*) Reports of progress in Seamanship, Mathematics, Navigation, and Technical subjects will be made to the Admiralty at the end of each term, and an intermediate examination will be held at the end of the second term.

(*b*) Cadets who are reported at the end of any term as having made unsatisfactory progress, through idleness or want of attention, will be "warned," and in the event of a second report to the same effect being received, they will be liable to be discharged.

(*c*) Cadets who fail at the final examination to obtain 45 per cent. of the maxima marks in the Mathematical subjects, including the Theory of Navigation and Nautical Astronomy, or in Seamanship, and 40 per cent. in Charts, Instruments, French, Steam and Drawing combined, will be ordered to be withdrawn.

(*d*) Reports of conduct will be made to the Admiralty at the end of each term or at any time during the period of training on board, if considered desirable. Cadets who are reported to the Admiralty at any time for unsatisfactory conduct will be "warned," and should they again be reported they will be liable to be discharged. Any Cadet, however, who is reported for unsatisfactory conduct during his final term will be liable to be discharged without being allowed to present himself at the examination for passing out of the "Britannia."

(*e*) Any Cadet who shall at any time appear to their Lordships to be unfit for the Naval Service, for any reason whatever, will be removed from the "Britannia," and it must be understood that this rule will apply to those who are considered unfit from insufficient physical development or weakness of constitution, although no actual organic disease may have been developed.

17. It is to be distinctly understood that the period of training on board the "Britannia" is a time of probation, and the parent or guardian of every Cadet will be required to sign a declaration (on the admission of the Cadet to the "Britannia") to the effect that he shall be immediately withdrawn on the receipt of an official intimation of his being considered unfit for the Navy.

18. Cadets will, on passing out of the "Britannia," rank according to the amount of sea time they obtain at their final examination, and those who obtain equal amounts of sea time will rank in the order of merit in which they pass out of the "Britannia."

Sea time will be awarded according to the following scale:—

Classes obtained.	Mathematics and Navigation.	Extra Subjects.	Seamanship.	Conduct.
1st Class ..	3 months	2 months	1 month	Very Good, 2 months
2nd Class..	2 months	1 month	—	Good, 1 month

19. The parent or guardian of every Cadet will be required to provide outfit under the regulations in force.

20. No pay will be allowed by Government to Cadets in the "Britannia." The pocket-money allowed to Cadets will be charged to the parents.

21. As only Cadets who are able to swim are permitted to use the boats belonging to H.M.S. "Britannia," the Lords Commissioners of the Admiralty desire to impress upon parents and guardians the importance of Cadets being taught to swim before they join the Training Ship, so as to enable them to obtain the full benefits of use of the boats.

The age on entry having been raised, it is hoped that boys who are members of the Church of England will, if possible, be confirmed before joining the 'Britannia."

The demands made upon the time of Cadets owing to the shortened period of training, will render it difficult to prepare such a large number for confirmation with the necessary care.

By Command of their Lordships,
EVAN MACGREGOR.

Admiralty,
23rd April 1897.

Admiralty, *1st April* 1897.

NAVAL CADETS.—REGULATIONS RESPECTING CADETS WHILE UNDER TRAINING.

(For the information of Parents and Guardians.)

1. The Naval Cadets who join the "Britannia" are allowed four terms of about 13 weeks each to complete their course of study;—at the expiration of which they go up for final examination.

2. The terms are from about the following dates:—
14th January to 14th April,
5th May to 5th August,
16th September to 16th December;
and the vacations will be four weeks at Christmas, three weeks at Easter, and six weeks at Midsummer.

3. The friends of the Cadets must be prepared to receive them during all the Vacations

4. The following payment will be required from the Parents or Guardians of each Cadet while in the "Britannia," as a contribution towards the cost of his education:—

Before the commencement of each term, £25, except in the case of those received at the reduced rate of £40 a year, whose payments will be £13 6s. 8d. only. Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for these sums as they become due, and the money should be at once remitted. In the event of non-payment, although the Cadets will not be refused admission into the Ship while their friends are being communicated with, they will not be considered as entered for tuition until the amounts have been received.

5. In addition to the above payments, any expenses incurred by a Cadet for clothing, books, and his expenses for washing, hair cutting, &c., as well as the allowance of 1s. a week paid as pocket-money, will be included in the personal account sent in to the Parent from the Ship at the end of each term.

In the third and fourth terms the pocket-money may be increased to two shillings at the option, and with the written sanction, of Parents.

Captains of Cadets are paid 1s. and Chief Captains 1s. 6d. a week by the Admiralty for the satisfactory performance of their duties.

6. All travelling expenses for Cadets will be advanced by the Paymaster of the "Britannia," who will charge the sum to the Cadet's personal account.

7. Since the Cadets have a weekly allowance paid to them as pocket-money, and as an amount is allowed by the Government to pay the expenses attending their amusements, it is requested that their friends do not give them any money except on joining, or on their return from the Vacations, and that the amount should then be reasonable and under no circumstances exceed £1. It is particularly requested that this Regulation be strictly adhered to. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain of the "Britannia."

8. Should Cadets bring valuable Gold Watches or Chains with them to the Training Ship, they will be taken from them and placed in security until they return to their homes. Silver Watches will be allowed to be used.

9. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the ship, and also when they return from leave, and the outfit, as required, must be complete.

10. Cadets are not permitted to open an account with Tradesmen. Parents and Guardians are therefore requested to pay no bills that may be sent them.

11. Every Cadet on returning to the "Britannia" after the vacations will be required to produce a health certificate—signed by his Parent or Guardian, *not earlier than the day before his return to the Ship*—to the effect that, so far as is known to his Parent or Guardian, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate, drawn up in the necessary Form, will be sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return to the "Britannia," will entail his being isolated until the Certificate is received.

12. All letters relative to the Cadets should be addressed as follows:—"The Commanding Officer, H.M.S. 'Britannia,' Dartmouth."

Parents or Guardians of Cadets must, in all cases of permanent change of residence, communicate the same to the Commanding Officer without delay.

13. (*a*) Reports of progress in Seamanship, Mathematics, Navigation, and Technical subjects, will be made to the Admiralty at the end of each term, and an intermediate examination will be held at the end of the second term.

(*b*) Cadets who are reported at the end of any term as having made unsatisfactory progress,

through idleness or want of attention, will be "warned," and in the event of a second report to the same effect being received, they will be liable to be discharged.

(c) Cadets who fail at the final examination to obtain 45 per cent. of the maxima marks in the Mathematical subjects, including the Theory of Navigation and Nautical Astronomy, or in Seamanship, and 40 per cent. in Charts, Instruments, French, Steam and Drawing combined, will be ordered to be withdrawn.

(d) Reports of conduct will be made to the Admiralty at the end of each term or at any time during the period of training on board, if considered desirable. Cadets who are re-reported to the Admiralty at any time for unsatisfactory conduct will be "warned," and should they be again reported, they will be liable to be discharged. Any Cadet, however, who is reported for unsatisfactory conduct during his final term will be liable to be discharged without being allowed to present himself at the examination for passing out of the "Britannia."

(e) Any Cadet who shall at any time appear to their Lordships to be unfit for the Naval Service, for any reason whatever, will be removed from the "Britannia," and it must be understood that this rule will apply to those who are considered unfit from insufficient physical development or weakness of constitution, although no actual organic disease may have been developed.

14. It is to be distinctly understood that the period of training on board the "Britannia" is a time of probation, and the Parent or Guardian of every Cadet will be required to sign a declaration (on the admission of the Cadet to the "Britannia") to the effect that he shall be immediately withdrawn on the receipt of an official intimation of his being considered unfit for the Navy.

15. Cadets will, on passing out of the "Britannia," rank according to the amount of sea time they obtain at their final examination, and those who obtain equal amounts of sea time will rank in the order of merit in which they pass out of the "Britannia."

Sea time will be awarded according to the following scale:—

—	Mathematics and Navigation.	Extra Subjects.	Seamanship.	Conduct.
1st Class ..	3 months	2 months	1 month	Very good, 2 months
2nd Class..	2 months	1 month	—	Good, 1 month

Those who are confirmed as Cadets will be granted two months' time for very good conduct whilst in the "Conway" or "Worcester," and they will also be allowed to count any time to which they may be entitled under the "Britannia" Regulations for their examination in mathematics, extra subjects and Seamanship.

(The Engineer Students to be trained for service afloat as Engineer Officers.)

(The Students in Naval Construction to be trained with a view to their joining the Royal Corps of Naval Constructors.)

1. Vacancies for Appointments as Engineer Students in Her Majesty's Navy will be filled principally by means of competitive examinations open to Candidates as understated, being of the prescribed age and of good moral character, but their Lordships will reserve to themselves the right to nominate a few at each entry who will be appointed on passing the examination specified in paragraph 11.

A Candidate must be the son, either (1) of natural born British Subjects, or (2) of Parents naturalised in the United Kingdom; and he must be of pure European descent. If any doubt arises on the latter point, the burden of clear proof that he is qualified, will rest upon the Candidate himself.

The Candidates to be nominated will be selected by the Board of Admiralty from sons of officers of the Navy, Army, or Royal Marines who have been killed in action or who have been lost at sea on active service, or killed on duty, or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury, or sons of officers of the Navy or Royal Marines who have performed long and meritorious service. The number to be so nominated will not exceed one-fifth of the total number of Engineer Students to be entered. Except as provided in paragraph 11, the Candidates will be subject to the same Regulations as the Candidates for appointment by open competition.*

Three Engineer Studentships will be given annually to sons of gentlemen in the Colonies on the recommendation of the Secretary of State for the Colonies provided they pass the required Examination. These Candidates will be subject to precisely the same regulations as herein laid down for nominated service candidates.†

2. The number of appointments to be made in each year will be fixed by their Lordships.

3. The List of Candidates for the appointments by open competition will be kept at the office of the Civil Service Commissioners. All applications for the forms to be filled up by persons who wish to compete must be sent to the *Secretary, Civil Service Commission, London, S.W.*, on or after the 1st of January in each year, and care must be taken that the forms, when filled up, reach the *Civil Service Commissioners* on or before the *15th March following*, as no notice will be taken of forms received after that date. The list of Nominated Candidates will be kept at the Admiralty.

4. Candidates must not be less than Fourteen, nor more than Seventeen Years of age on the 1st day of May in the year in which they are examined.

5. Evidence of age and character will not be required before the examination, but Candidates successful in it will not be eligible for appointment unless they satisfy the Civil Service Commissioners on these points.

6. The Medical Examination of the successful Candidates will be held under the authority of their Lordships, as soon as possible after the result of the Educational Examination is made known. No Candidate will be entered as an Engineer Student unless he is pronounced to be physically fit. Candidates in or near London will be medically examined by the Medical Director-General of the Navy at the Admiralty. Those residing near one of Her Majesty's Dockyards, or one of the First Reserve Ships, or Drill Ships of the Royal Naval Reserve, or the Flag-ship at Queenstown, will be examined by the Medical Officers attached thereto. The Medical Examinations will be conducted in all respects in strict accordance with the Instructions for the examination of persons for admission into the Naval Service. The Colonial Candidates who reside abroad will be medically examined at the Naval Station nearest to where they reside. All Candidates at the time of their Medical Examination must produce Certificates to the satisfaction of the Examining Officers that they have been re-vaccinated, or they must be re-vaccinated before they can be considered eligible for entry as Engineer Students in H.M. Navy.

7. The Educational Examination will be held by the Civil Service Commissioners in London, Liverpool, Portsmouth, Devonport, Birmingham, Manchester, Newcastle-on-Tyne, Edinburgh, Dublin, and as can be most suitably arranged for the Colonial Candidates who reside abroad; and will take place in the month of April of each year. The exact date may be ascertained by application to the Secretary, Civil Service Commission, on or after the 1st of January in each year. The examination of the Colonial Candidates who reside abroad will be conducted by the Civil Service Commissioners and under the superintendence of the Commander-in-Chief of the nearest Naval Station. Suitable arrangements will be made for the Candidates to receive the Examination papers; and the worked papers of the Candidates will be sent to London as soon as possible to enable the marks to be assigned by the Civil Service Commissioners.

8. The following will be the subjects of the Competitive Examination, and the maximum number of marks for each subject:—*

9. A fee of 1*l.* will be required from every Candidate attending an examination.

10. Candidates in the Competitive Examination who fail to pass either in arithmetic, or in handwriting, dictation, and composition combined; also those who fail to pass in reading aloud, will be disqualified. Successful Candidates will be entered as Engineer Students in H.M. Navy, according to the number of appointments which it may be decided to make each year; they will be taken according to their position on the examination list. Candidates who obtain less than 880 marks in the aggregate will not be placed upon the list.

11. The Candidates who are nominated by their Lordships and by the Secretary of State for the Colonies, will be required to pass the same test examination in the first four subjects and in reading aloud as the Candidates who enter for the Competitive Examination. They will also be examined in the other subjects to ascertain the extent of their knowledge and to determine their order of merit, and no nominated Candidate will be appointed as an Engineer Student who obtains less than 880 marks in the aggregate.

12. Candidates will be informed by letter from the Civil Service Commission of the result of their Examination as soon as it has been ascertained: except in the case of the Colonial Candidates residing abroad, who will be informed by telegram from the Admiralty to enable them to join the Training School as soon as possible after they have been found medically fit.

13. The successful Candidates will be entered as Engineer Students in H.M. Navy on the first of July in each year, and will be borne on the books of the Depôt Ship at Devonport for disciplinary purposes. The period of training at H.M. Dockyard at Devonport will be for five years, but it will be reduced to four years in the case of Engineer Students who pass the Examination described in paragraph 31, clause 1; pass very creditably in Practical Workmanship, Professional Subjects, and knowledge of Engine Room duties referred to in paragraph 34; and whose conduct and character are satisfactory. (*See* paragraph 25.)

14. Students in Naval Construction not exceeding two in number annually may be appointed from among Engineer Students who have shown special ability at the end of their second year of service. The Students in Naval Construction, on appointment, must join with their Parents or Guardians in a Bond for £500 to enter, if required, into Her Majesty's Service as Assistant Constructors, if at the expiration of their training they should obtain Certificates of good conduct and efficiency for entry in that capacity. They will continue to be under Naval discipline until their entry as Assistant Constructors. (*See* Paragraphs 45 and 47.)

A form of the required Bond is set out in the Schedule hereto.

An Assistant Constructor will not be permitted to leave the service until seven years have expired after the completion of his Term at the Royal Naval College at Greenwich, unless he shall pay the sum of £500. This payment is for the purpose of defraying the charges incurred by the Public for his education.

15. Students in Naval Construction will complete five years' service at Devonport in the Training School for Engineer students, and will be subject to the same conditions as to fees, pay, uniform, and other details as may be prescribed from time to time for Engineer students. Their course of instruction will be laid down from time to time. (*See also* Paragraphs 42 to 51.)

16. The Parent or Guardian of each Engineer Student entered will be required to pay the sum of 40*l.* per annum for each year the Student may be under training—four, five, or six* years as the case may be. It will, however, be at the discretion of the Lords Commissioners of the Admiralty to select from among the Students entered at each yearly examination, a number not to exceed five, being sons of Officers of the Navy, Army, or Royal Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the annual payment will be 25*l.* only. Their Lordships also reserve the power to further reduce this latter sum in the case of sons of Officers *killed or drowned, or who have otherwise lost their lives on Service.* In making their selection, my Lords will have regard solely to the pecuniary circumstances of the Parents or Guardians of the Students.

17. The payments are to be made half-yearly, in advance, to the Cashier of H.M. Dockyard at Devonport; the first payment is to be made on or before the 1st of July, the date of entry of the Student, and the subsequent payments, on or before the 1st January and 1st July, during the remainder of the Student's training. Should a Student leave from any cause or be dismissed from the Service, not any portion of the payments that have been made in his behalf will be refunded.

18. The Parents or Guardians of the Students will also be required to provide the uniform (*see* Par. 52) or other Clothing, Washing, and Necessaries of each Student. Board and Lodging, and Medical Attendance, will be provided by the Admiralty. The Students will be required to reside in the Training School at Keyham.

19. The weekly pay of Students during their training will be as follows, provided they are well reported on by the officers:—

First Year	One Shilling	a week.
Second ,,	Two Shillings	
Third ,,	Three ,,	
Fourth ,,	Five ,,	
Fifth ,,	Eight ,,	

20. Six weeks' leave (36 working days) on full pay will be granted each year to all Students whose conduct and progress have been satisfactory. Those who cannot be so reported will be granted leave for smaller periods, which will be at the discretion of the Admiral Superintendent. This leave is to be taken during the School Vacations, viz., four weeks at Midsummer and two weeks at Christmas.

21. Every Engineer Student on first joining, or, on returning to the "Training School" after the vacations, will be required to produce a health certificate—signed by his Parent or Guardian, not earlier than the day before his return to the "Training School"—to the effect that, so far as is known to his Parent or Guardian, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate, drawn up in the necessary Form, will be sent to each Parent, and failure on the part of the Engineer Student to produce this certificate, duly filled up and signed, on his return to the "Training School," will entail his being isolated until the certificate is received.

22. The Students are not to be checked pay while on leave, nor when hurt on duty. When sick or sent to Hospital from causes beyond their own control, they are not to be checked of their pay until they have been absent for six months in the aggregate during any period of twelve months; at the expiration of this time a special report is to be made to their Lordships. When sick, or sent to Hospital from causes within their own control, they are to be checked of their pay. Students pronounced at the end of twelve months' absence on account of sickness or hurt to be permanently unfit, or unlikely to be capable of entering Her Majesty's Service as Assistant Engineers or as Assistant Constructors, will be discharged. Should any Student in the course of his training develop physical unfitness for the Service, he will be discharged.

23. The Students will be under the supervision of the Superintendent of the Dockyard, and a Staff of Officers, and subject to such rules and regulations as their Lordships may deem necessary.

* *See* paragraphs 32 and 33.

24. Students will receive practical training in the Engineering Workshops, will spend a portion of their time in the Drawing Office, and will receive instruction in Iron Shipbuilding at H.M. Dockyard at Devonport. While the Engineer Students are being instructed in Iron Shipbuilding they are to be under the direction of the Chief Constructor. They will attend the Engineer Students' School in the Dockyard for such periods, and for the study of such theoretical subjects, as may from time to time be determined on. Means will be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer respecting the working of Marine Engines and Boilers, including those repairs which can be carried out afloat, the practical use of the various Instruments used in the Engine-room, also of the construction and working of Electric Light, Torpedo and Gun Machinery, and of becoming generally acquainted with the duties of a Naval Engineer.

25. The cases of those Students who fail to make satisfactory progress and give no hope of becoming efficient officers, or are guilty of persistent misconduct, will be considered annually with reference to the discharge of such Students from the Service.

In the event of serious misconduct on the part of Senior Engineer Students, which may not be of such a nature as to necessitate their dismissal, their appointments will be withheld as may be considered necessary by their Lordships from three to nine months after their passing for the rank of Probationary Assistant Engineer on the completion of their five years period of training. In such cases they will be employed in Workshops only, and whilst thus under observation their conduct will be reported to the Admiralty quarterly.

Appointments as Probationary Assistant Engineer will not be granted to any Students of four years' service whose character and conduct are considered by their Lordships to have been unsatisfactory during the preceding twelve months.

26. Students will be examined once a year under the direction of the President of the Royal Naval College, Greenwich.

27. The preliminary examination at the end of the second year of service will be as follows; subject to modification at any time, if considered desirable:—

28. Students who fail to pass the examination will be discharged, unless for satisfactory reasons their Lordships sanction their remaining on the lower division for another year.

29. Students will also be examined in Practical Engineering at the end of their second year of service, and be required to reach a standard of 30 per cent. Those failing to attain this standard will be liable to dismissal. They will also be examined as to their practical acquirements and knowledge of steam machinery and Shipbuilding respectively at the end of the third, fourth and fifth years of their service by officers of the Admiralty. Prizes will be given annually at the Dockyard to the Students most highly reported on as regards their skill as Workmen, and prizes for distinction at the examinations in Professional and Educational subjects. A certain degree of proficiency in the Educational Subjects, and in Practical Engineering and Shipbuilding respectively, will be considered essentia lat all Examinations.

The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains, after payment of expenses, is also handed over to him.

The Presidents of the Colleges of Physicians and of Surgeons, and the Medical Director General of the Navy award the medals biennially for the two best journals sent into office during the preceding period of two years.

THE NEWMAN MEMORIAL FUND AND PRIZE.

The Newman Memorial Fund—founded in memory of the late Mr. Edward Newman, R.N., who died whilst serving as Chief Engineer of H.M. Dockyard at Portsmouth—consists of a sum of about 400*l*. Shadwell, K.C.B., who died 1st March, 1886, will be known as the "Shadwell Testimonial," and will consist of a Pocket Sextant, or other instrument (as funds will admit), of use in Navigation or Marine Surveying.

It will be bestowed annually on the Officer of a rank not higher than Lieutenant, and who has never been classed as an Assistant Surveyor, who has sent in through his Captain the most creditable plan of an anchorage, or other marine survey, accompanied with sailing directions, recently executed by himself.

The award will be made on the plans received at the Admiralty during each calendar year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and Surveying Officer in charge of the Chart Branch at the Admiralty; and they will be empowered to make no award, should they judge the plans received during the year not to be sufficiently meritorious.

In case of co-operation in the production of a plan, a junior officer, who has assisted materially in its construction, may participate in the reward, should the funds be sufficient.

The first award was made on the plans received during 1889.

THE RYDER MEMORIAL FUND AND PRIZE.

1. Gentlemen who apply for appointments as Naval Instructors are permitted to prepare at Greenwich for their final examination, after having undergone a preliminary examination (unless under certain conditions dispensed with) in Mathematics and Latin before the Civil Service Commissioners.

2. The period of study at the College is six months, with liberty on the part of a Candidate to shorten it if he is able to pass the qualifying examination sooner. In the event of a Candidate failing to pass within the prescribed period of six months, he may be allowed to remain for a further period of three months, but the allowance (*see* below) of which he has been in receipt will be discontinued. The Candidate will be examined in the following subjects, in each of which he will be required to show that he possesses a competent knowledge:—

8. The marks obtained in Part II. are added to those already awarded under Part I., so that the maximum marks for the whole examination are 2,000.

Of this total 1,700 are required for promotion numbers, and 1,500 for an ordinary First Class Certificate. Under 1,500 a Second Class Certificate is awarded.

9. Promotion will, at the discretion of the Admiralty, be made in accordance with the following scale, provided the Officer's conduct has been satisfactory (a First Class counting 3, a Second 2, and a Third 1):—

In every case an Officer to be eligible for such promotion must obtain the Certificates required for admission to the second course of instruction at the College, as laid down in clause 7. An Officer who obtains special promotion numbers must be recommended by the President of the College for satisfactory conduct, and if he do not obtain this recommendation his promotion will be postponed for not less than three months.

In addition, any Officer who chooses to pass the first examination of the College without attending the three months' course will be allowed a further three months' acceleration of promotion, provided he obtains twelve marks or over as above specified; but in no case will the Lieutenant's commission be dated before the day of attaining six months' seniority as Sub-Lieutenant.

11. A prize of books or instruments, to the value of £10, is awarded to Sub-Lieutenants who obtain First Class Certificates in all their examinations.

12. The Beaufort Testimonial, consisting of some instrument or work of a kind to be practically useful to a Naval Officer, is bestowed annually on the Officer who, in qualifying for the rank of Lieutenant, passes at the College the best examination in the subjects laid down in the Regulations as comprised in Navigation.

For the Testimonial special papers are not set, but the Testimonial is awarded to the Officer who gains the highest aggregate marks for the year in the combined totals of Parts I. and II. Candidates must signify their intention of competing one month before the time for their examination.

13. The Ryder Memorial Prize, consisting of a book or books (to be selected by the successful Candidate, subject to the approval of the President of the College) is awarded annually for the best examination in, and colloquial knowledge of, French. An additional paper is set in the examination in Part I. to candidates for the Prize (the marks gained in which are not taken into account in determining the class of certificate), and a more rigorous examination is held to test colloquial knowledge. Candidates must signify their intention of competing one month before the time for their examination.

14. During the period of study Acting Sub-Lieutenants are borne on the books of H.M.S. "Excellent."

15. The following alterations have been temporarily introduced in the above course, viz.:—

Statics, increased from	125 to 150
Hydrostatics, increased from ..	125 to 150

The maximum and marks for Certificates remain unchanged.

4. Eligibility for special promotion depends on an Officer obtaining at least a Second Class in Seamanship and not less than two Firsts in the subjects of Pilotage, Gunnery, and Torpedo. One Third Class Certificate in any subject except Seamanship will not in itself debar an Officer from accelerated promotion.

NAVAL RETIREMENTS, &c.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE.—These Rules are subject to the alterations resulting from Orders in Council (*see* pages 622*a*, 622*b*, 622*c* and 622*d*) affecting Engineer and Executive Officers.

I.—*General Rules.*

1. After retirement, no increase of pay to be allowed to any Officer, except as provided in Sect. XVII., Art. 2. The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at any age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

4. The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; as also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay, or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, or pension, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5. (*a*) When Officers have been guilty of misconduct or neglect of duty, or have incapacitated themselves for Active Service by irregular and imprudent conduct, the Admiralty can reduce their half pay and retired pay and pension below the rates to which they would otherwise be entitled by service.

(*b*) An Officer may be placed on the retired list of his rank if—

(1) He is guilty of such repeated acts of misconduct or neglect of duty as in the opinion of the Admiralty make him unfit for further active service;

or

(2) He is in the opinion of the Admiralty, after careful inquiry, unfit for further active service, through intemperate or irregular conduct or habits.

provided that his retired pay shall in no case exceed the half pay which he was entitled to receive previous to his retirement.

(*c*) Sub-Lieutenants, and Assistant Paymasters are liable to compulsory retirement under the above provisions, but can only receive a gratuity under Sect. XV., ARTS. 7 and 25.

† Treasury sanction till October 1893 obtained.

(*d*) Nothing in these provisions is to prejudice or affect the power of the Admiralty to discharge or dismiss Officers on reduced rates of half pay, or retired pay, nor give to any person who has been removed from Her Majesty's Service before the 30th December 1884, any claim to half-pay, retired pay, retiring allowance, or gratuity.

6. No. 97.—N.

At the Court at Windsor,

The 12th day of July 1887.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 17th day of June 1887, in the words following, viz.:—

"Whereas we have had under consideration the increasing slowness of promotion from the rank of Lieutenant to that of Commander, which is, in our opinion, detrimental to your Majesty's Service.

"We would recommend that we be empowered to make annually thirty advancements of Lieutenants to the rank of Commander, notwithstanding that the vacancies on the Commanders' List may be less than that number, until the list of Commanders is raised from 225, its present temporary limit under the provisions of Your Majesty's Order in Council of 5th August 1875, to 270, and that this number be afterwards maintained; such thirty annual promotions to be made at such dates within the year as we may consider advisable.

"These arrangements to be applicable to the present year.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly. C. L. PEEL.

No. 29.—C.W.

At the Court at Windsor,

The 29th day of November 1879.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of November 1879, in the words following, viz.:—

"Whereas we have had under our consideration the effect of Your Majesty's Orders in Council of 22nd February 1870, and 5th February 1872, both as regards the limitation of the number of Lieutenants in Your Majesty's Fleet and the restrictions for the promotion of Officers to that rank, and whereas the Navigating Class of Your Majesty's Fleet is being rapidly reduced on account of the special entries for that class having been for some time past discontinued.

"We are of opinion that it is necessary:—

"1. To increase the number of Lieutenants for executive duties;

"2. To supplement in addition, but gradually, the List of Lieutenants as substitutes for the Navigating Officers; and

"3. To make better provision for the promotion of Sub-Lieutenants.

"We do most humbly submit that Your Majesty will be pleased to sanction:—

"1. That the number of Lieutenants for Executive duties shall be 800.

"2. That we be authorised to increase that number of Lieutenants gradually to 1000 in proportion as the numbers on the List of Staff Commanders and Navigating Lieutenants fall below the number fixed by Order in Council of 1870, viz., 250, so that eventually the List of Lieutenants shall be 800 for Executive duties and 200 for Navigating duties.

"3. That we be empowered to promote 75 Sub-Lieutenants during the present year without reference to the number on the Lieutenant's List; and in each successive year a number that shall not exceed the number that has been added to the List of Sub-Lieutenants in the previous year.

"4. That we be authorised to continue the retirement of Lieutenants on the terms sanctioned in para. 24, Chapter X. of the Order in Council of 22nd February 1870.

"The Lords Commissioners of Your Majesty's Treasury have concurred in these proposals, and we do most humbly submit that Your Majesty will be graciously pleased to sanction the same being carried into effect."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly. C. L. PEEL.

HIS ROYAL HIGHNESS ALFRED ERNEST ALBERT, REIGNING DUKE OF SAXE-COBURG-GOTHA (DUKE OF EDINBURGH), K.G., K.T., G.C.B., G.C.S.I., G.C.M.G., G.C.I.E.

The 23rd day of November 189

Present

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th day of November 1893, in the words following, viz.:—

"Whereas Admiral of the Fleet His Royal Highness the Duke of Edinburgh, K.G., &c., has become reigning Duke of Saxe-Coburg-Gotha and has thereby become disqualified to hold his actual position in Your Majesty's Navy.

"We would now humbly submit to Your Majesty—

"That in view of His Royal Highness' long and distinguished service, his name may be retained on the Navy List, notwithstanding such disqualification, in an honorary capacity.

"That hereafter His Royal Highness shall not be entitled to any full-pay, half-pay or retired pay, nor to receive any office or command in Your Majesty's Navy, but he shall be entitled to receive the same honours, marks of respect and salutes as any officers of equal rank on the Half-pay or Retired lists of Your Majesty's Navy.

"That His Royal Highness shall, so far as his position of his name on the list is concerned, continue to be subject to the rules and regulations contained in Your Majesty's Order in Council of 26th June 1893, and previous Orders in Council.

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.
